Short Bio:

I am excited to start my 4th year in Tolar and my 34th year teaching!! I will be teaching Algebra 1 and Advanced Geometry. I live in Granbury with my husband, Bob and we have been married for 34 years. We have 2 sons who both attended Granbury schools and played varsity Football there. We also have a Brittany spaniel rescue dog named Murphy.

My oldest son, Nate, is 30 and is married to Melissa and they have given us a precious granddaughter, Joanna (3yrs) and a new baby boy, Elijah (3 months) . My youngest son, Ben, is 27 and married to Amber.

When I am not busy creating lessons and work on schoolwork, I like to spend my time working in my yard, reading murder mystery-type novels, and visiting my grandkids.
